LITTLE MONSTER  
PRINTABLES

**INSTRUCTIONS:**

**PRINT 1 COPY OF THE FIRST SPECIAL CARD PAGE.  
PRINT 3 COPIES OF THE SECOND CAMPER CARD PAGE.**

**HOW TO PLAY:**

Shuffle all of the cards well. Then, stack them in one pile.

Youngest or oldest player goes first. Look out of the car window and find camper vans!  
When you spot one, pick up a card from the top of the deck. Then, it is the next players turn.

When you pick a special card, follow the instructions on the card.  
If you are asked to give back cards, add them face down to the bottom of the pile.

**HOW TO WIN:**

The person left with *all* of the cards wins.

The all of the cards in the pile are distributed, then both players count their cards,  
and the person with the most cards wins.

If you reach your destination before the game ends,  
then the player with the most cards wins.

**ALTERNATIVE:  
YOU CAN PLAY THIS GAME AT HOME.**

Instead of looking for campers, just select cards one at a time from the deck.

When you reach the special card that asks to find a red or blue car,  
just skip, and take one extra card from the deck.
